HALLE GEGEN RECHTS
BÜNDNIS FÜR ZIVILCOURAGE

10.07.2015

Dear residents of Robinienweg 26,

we - members and friends of " Bündnis Halle gegen Rechts" (alliance Halle against right wing movement) would like to invite you to a spontaneous summer party in front of your house.
We want to play games and music together, eat cake, introduce us and get to know you better. In the afternoon, we want to celebrate and experience practical solidarity with people living in Halle, no matter where they come from.

We want to truly welcome refugees in Halle. Unfortunately, not everyone shares this idea. Within the past months, several racist attacs have been documented against people seeking asylum and roma.

On July 11th, neo-Nazis have organised a demonstration in the neigborhood of Robinienweg. Probably, they will assemble at the EDEKA-Center nearby. We do not know if this is just a provocation or if they will actually meet.
Nevertheless, we take their announcement serious and want to prevent any violent and fearful atmosphere. The police will prevent them from coming to Robinienweg.

We want to get together in a friendly atmosphere that afternoon. We are going to bring blankets, games, instruments, food and drinks and you are free to do so, too.

We want to kindly invite you to the summer party on Saturday, July 11th, 2015 from 15:30 o'clock on the lawn in front of Robinienweg 26.

We are looking forward to meeting you there !
