

We demand equal rights for refugees and migrants.
We are sick of discrimination and hostility towards refugees.
Stop deportations, racist controls, police- and nazi brutality !
We want a better life and freedom.
We are not here to break the law and to be criminals.
Stop criminalizing us!
We left behind our home, our families and friends because of the situation in our countries.
We are not here to hang around and to waste our life.
The pursuit of happiness is an universal right !

We are a self-organized group and we want to live in self-determination.
We don't want to be the object of your reports, we want to represent ourselves in the society.
Racists attacks have become normality, we come together and raise our voices against this condition.

Multiculti is a collective which shares the idea of diversity; the word is understandable worldwide and means to us living together in love, peace and harmony.
We bring people together to create awareness against racism and discrimination.

Together we walk through Halle center to manifest our demand for equal rights, multiculti and acceptance everywhere.
This assembly is for everybody, no matter what nationality you have.
Afterwards we want to celebrate together in Welcome-Treff/ Theatrale.
Invite all your friends !
